## **Rare Running Deer Ranch Retreat**

Make memories with family and friends at this 7.7 acre Running Deer Ranch retreat property. With four bedrooms, three baths, this 2356 sq ft home is ready for entertaining. The original cabin was made from pre-World War II era logs, which provide a special atmosphere for the upstairs and cozy living room with its wood burning fireplace. The newer kitchen and dining room were designed to provide ample room to feed hungry guests. Meanwhile, the master suite with private bath and walk-in closet offers hosts a peaceful escape. There are upper and lower decks with views of oak forests, Towne Creek and Lake Nacimiento in the distance. The covered detached garage is great for boat or jet ski storage, especially since "The Point" day use and launch area is just a few minutes away. Located at the end of a secluded cul-de-sac, this property is a rare piece of wild California countryside to treasure and enjoy.
